Our dishes seasoned with a well-balanced level of spiciness for all our guests to enjoy and to maintain the authenticity of Thai cuisine. Any spicy lover's can request to adjust the spicy level. Our chef will adjust by adding 1 tsp of ground roasted chili powder at each different level: mild (1 tsp), medium (2 tsp), very spicy (3 tsp), or Thai spicy (on request).

Any food allergies, please be aware that during food preparation equipment and utensils may have come in contact with a known allergen. If you are allergic to peanuts, tree nuts, shellfish, fish, milk, eggs, wheat, gluten, soy or any other food or food additive, please ask to see a manager before ordering.
